Subject: 0000a FOIA

The 0000a FOIA came in today. I'll put it in your box but it's a letter from California and it's dated August 16th. It appears to be the same ask but I thought it was coming from someone else? You can take a look, then let's discuss.

9/20 due date

Ex. 5 Deliberative Process (DP)

Thanks.
